The background of the entire page is a misty, blue-toned illustration of a Scottish Highland landscape. It features large, gnarled trees, rolling hills, and a path leading into the distance. The overall atmosphere is ethereal and mysterious.

BRAVE

Set in the rugged and mysterious Highlands of Scotland, Disney•Pixar's "Brave" follows the heroic journey of Merida (voice of Kelly Macdonald), a skilled archer and headstrong daughter of King Fergus (voice of Billy Connolly) and Queen Elinor (voice of Emma Thompson). Determined to change her fate, Merida defies an age-old custom sacred to the unruly and uproarious lords of the land: massive Lord MacGuffin (voice of Kevin McKidd), surly Lord Macintosh (voice of Craig Ferguson) and cantankerous Lord Dingwall (voice of Robbie Coltrane), unleashing chaos in the kingdom. When she turns to an eccentric Witch (voice of Julie Walters), she is granted an ill-fated wish, and the ensuing peril forces Merida to harness all of her resources—including her mischievous triplet brothers—to undo a beastly curse and discover the meaning of true bravery. Directed by Mark Andrews and Brenda Chapman, and produced by Katherine Sarafian, "Brave" is a grand adventure full of heart, memorable characters and signature Pixar humor. Opens on August 3, 2012, in Disney Digital 3D™ in select Cinemas.

MERIDA

Passionate and fiery, Merida is a headstrong teenager of royal upbringing who is struggling to take control of her own destiny.

KING FERGUS

King Fergus is a heroic warrior with a majestic bear cape, broadsword and a knobby peg leg-the result of his much-regaled skirmish with the demon bear Mor'du.

QUEEN ELINOR

A vision of grace, wisdom and strength of character, Queen Elinor is fiercely dedicated to the well-being of her family and kingdom.

THE TRIPLETS

Identical triplets Harris, Hubert and Hamish are adorable, redheaded and always ready to stir up a bit of mischief, especially if sweets are at stake.

ANGUS

Black as night, with an ivory muzzle and fetlocks, Angus is Merida's powerful Clydesdale and her most trusted confidant.

LORD MACGUFFIN

Strapping Lord MacGuffin is full of brawn and dignity.

LORD MACINTOSH

The wiry, indignant and off-kilter leader of his clan, Lord Macintosh is always a heart-beat away from hysterics

LORD DINGWALL

Grumpy and quick-tempered, the scrappy Lord Dingwall doesn't let being height-challenged get in the way of solving his problems with fisticuffs

Help WALL·E find his favourite things in the junk yard!
